[1] Not all features are available in all editions of Windows 8. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 8 functionality. See http://www.microsoft.com [2a] AMD's numbering is not a measurement of clock speed. Dual-core is a new technology designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. [4a] For hard drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 35GB of hard drive is reserved for system recovery software. [7] GHz refers to internal clock speed of the processor. Other factors besides clock speed may impact system and application performance. [10] Internet access required and not included. [10a] Internet access required and not included; registration required. [19] Wireless access point required and not included. [27] EPEAT® Silver registered models of this product are available where HP registers consumer desktop and/or notebook computers. [28] Internet service required and not included. Click the Office icon for more details on the Office product that is right for you. Optional features sold separately or as add-on features. [29] Actual speeds may vary. [31] Free recycling in select countries. Program may not be available in your area. Check www.hp.com/go/recycling to see if HP offers free recycling in your area. [32] Music sold separately. Internet access may be required. Duplication of copyright-protected materials is strictly prohibited. [33] High-definition (HD) content is required to view high definition images. [37] Supported on Android and iOS operating systems. Snapfish mobile app download and Snapfish membership required. Internet service required and not included. [38] Availability of features varies by country. Streaming services may require a paid subscription. May not be compatible with all music files. Not compatible with DRM tracks. Internet service required and not included. [57] Internet connection required for updating and connecting to HP Support. [58] 24x7 support available only in North America. Rest of world is supported during normal business hours. [60] Click on the Box tile on the Start screen of your HP computer and register for a new account to receive the offer. Offer valid through December 31, 2014. [61] External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen. [62] Requires an operating system with power management capabilities, such as Windows 8 or Chrome. [63] Designation based on actions to reduce transportation-related emissions. [69] Battery life will vary depending on numerous factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details. Actual product may vary from image shown on datasheet. ©2013 Hewlett-Packard Development Company, L.P. The information contained herein is subject to change without notice.
